

## MULTIPLIED | GROUP DISCUSSION QUESTIONS

### GET STARTED

- If your group is returning from a holiday break, take a moment to catch up. Share 1-2 memorable moments that have taken place since you last met.
- If your group is just starting, or has added new members, take a moment to make introductions. Next, share 2-3 of your favorite things and why (i.e. restaurant, movie/TV show, sports team, hobby, dessert, etc...)
- It's a new year with new things to look forward to. **What is one thing you are looking forward to in 2025?**

### TAKE IT IN

- What encouraged and/or challenged you from the message this week? Why?

### TALK IT OVER

#### Read Acts 9:31

- Northside Multiplied is our vision for a new season of fruitful ministry as we multiply disciples of all the nations, multiply those being baptized into the family, and multiply the teaching of God's Word by connecting His people in life-changing community. **Which of these Multiplied goals resonates with you and why? What do you want God to multiply in your relationship with Him this year?**

#### Read Matthew 5:14-16

- This weekend Aaraon challenged us with the thought that our faith should always be personal, but it should never be private. **What challenges and benefits do believers face living out their faith in a public way? In what area of your life do you need to shift your faith from private to public?**
- This weekend, Aaron emphasized that for the Christ-follower, not going is not an option. Scripture emphasizes that we are the light of the world and are called to let our good deeds shine for all to see. **Where might God be calling you to go in 2025? What might God be calling you to do in 2025?**
- **Where might God be calling this group to go in 2025? What might God be calling this group to do in 2025?**
- Together write down the goals and spirit promptings from these questions. Commit to praying for another as you pursue them.

## Read John 1:4-5

- Jesus is the light of the World. There is great hope and comfort that Christ lives in us. The light we shine is not our, but His. The light of Christ shines into our darkness, and the darkness will not overcome it. As you start this year, where are you experiencing some form of darkness? How can our group be praying for Christ to shine a light into this darkness?
